Beyond Cleanliness

DIB-U800 Series

Super sleek profile DIB-U800 series has a curved stainless nozzle, nozzle tip intensive care, and double protection cover for more hygienic use.

Furthermore, IPX5 rated main unit, IPX8 rated side arm touch control and safe DC powered heated seat are available for top safety.

2XMode™ satisfies all users that want mild wash to super strong wash stream.

The new era of the personal hygiene bidet seat just starts.

Just enjoy it with other luxurious features, Variety Light™, hide-away connection and so many more.

Pump Motor
Low noise programmed pump motor

Deodorizer
High capacity deodorize filter

Sleek-low Profile
The slimmest bidet seat, 99mm

Turbo Dry
Enhanced air volume dryer

Waterproof Auxiliary Control Panel
Swipe capacity control panel in IPX7 waterproof grade

Curved Full Stainless Nozzle
Contamination and bacterial multiplication protected curved stainless nozzle

Instant Heating
Seamless warm wash available with a high energy efficient ceramic instant heater

e Water
Electrolyzed water refreshes the water stream and nozzle.

Heated Seat
Safety first, DC powered heated seat

Radio Frequency Remote
Auto pairing and failproof remote control by a radio frequency

Feature of dib

Special function dib

2XPower™
Max 10 customizing water pressure levels

Intensive nozzle care
Additional nozzle tip intensive care offers better hygienic environment.

IPX5 Waterproof level
IPX5 waterproof rated main unit and IPX8 waterproof rated side arm control for safety

Enhanced self-cleaning
Additional nozzle tip intensive cleaning mode beyond the regular cleaning

Smart self-diagnosis
Most errors are displayed for easy maintenance.

Expert Mode
Most major features can be personalized for user's preference.

Low noise
Quiet operation with the most updated wave control technology

Curved full stainless nozzle
Contamination and bacterial multiplication protected curved stainless nozzle

e Water
Electrolyzed water refreshes the cleanliness of all internal water stream channels and nozzle exteriors.

Double protection cover
Dual protection structure for external contamination and water splash

Variety Light™
The color of night light can be customized in 7 colors

Automatic leveling seat
Specially designed auto-leveling seat for stable layout on the toilet
